Camp Leader | Seasonal: 2024 – Present

- Promoted to a key leadership role, directly managing and mentoring a team of over 10 camp staff members, ensuring effective program delivery and staff accountability.
- Successfully planned, organized, and executed engaging daily activities for 20+ children, spanning diverse areas from outdoor sports and team-building games to creative arts and educational crafts.
- Cultivated strong, proactive relationships with parents, providing regular, detailed updates on their child's progress, behavior, and overall well-being, and promptly addressing any concerns.
- Collaborated effectively with other camp leaders and facility management to coordinate inter-group activities, manage shared resources, and uphold rigorous safety protocols across all camp operations.
- Provided essential specialized care and support for children with diverse needs, including precise medication administration, health monitoring, and accommodating individualized behavioral plans, ensuring a safe and inclusive environment for all participants.
- Actively update all CPR and first aid certifications ensuring safety among the team and children.

Teen Force Staff | 2024 – 2025

- Maintained accurate real-time headcount and monitored activity for teenagers utilizing workout facilities and recreational lounges, ensuring compliance with capacity limits and safety guidelines.
- Delivered consistent, high-quality customer service at the front desk, providing information, assisting with equipment inquiries, and resolving minor facility-related issues for teen patrons.
- Effectively operated Computer Telephony Integration (CTI) systems for efficient front desk management, including managing reservations and answering phone calls.
- Proactively ensure the cleanliness, organization, and safety of workout areas and recreational spaces, contributing to a welcoming and well-maintained environment for users.

Camp Counselor | Seasonal: 2023 – 2024

- Facilitated frequent and meaningful interactions with children, building rapport and observing behaviors, then systematically reporting observations and concerns to camp leaders.
- Prepared and led a variety of age-appropriate activities designed to stimulate cognitive development, encourage physical activity, and foster social skills.
- Acted as a flexible and reliable team member, providing essential staffing support by substituting for understaffed sites or facilitating staff breaks across different locations.
- Assisted in the implementation of emergency procedures and maintained vigilance to prevent accidents, contributing to a secure environment for all camp participants
